

Travel the World with EWM! *Nancy Gamber*

Traveling to Africa was something that I had always dreamed of experiencing. In 2019, I got the chance to go for 2 weeks with a friend. The flight was a long 16 + hours, but well worth every hour! The open jeep safari that we did every morning and evening at 6:30 allowed us to see animals in their own environment. The giraffes, elephants, lions, cheetahs, and water buffalo were all amazing to see. If we were allowed, I could have touched an elephant. I did get another up-close and personal experience with a baboon, who got into the restaurant that we were eating at one day. I stayed as still as possible, so it didn't attack me!

The other part of the trip that was a must-see was Victoria Falls in Zimbabwe. We flew over the massive waterfall in a helicopter. It was a magnificent sight! If you ever get the opportunity to take a trip to Africa- do it! It will be a once-in-a-lifetime trip!
