

Travel the World with EWM!

Two jabs and a covid test and “Econ Wealth” (in the form of client Andy Weiser!) was off to Paraguay for some family and friend time after two years!!! Thanks in part to Econ Wealth’s assistance on the home front, Carmen (Andy’s wife) and Andy enjoyed their house in Luque, just outside the capital of Asuncion. It was two years since they were last able to enter Paraguay. They are now back at school (teachers) in Abu Dhabi, UAE. More pics to come as they travel with Econ Wealth!!
